

Defect ID	defect title	Steps to reproduce	Test data	Expected Result
UI				
Front page				
DEF_FP_001	OTP not generated and user not redirected to Enter OTP page after clicking "Send OTP"	Open the login page: https://pai-erp-qa.pineappleai.cloud/login Click on the Forgot password? link. Enter a valid registered correct email address in the Email Address field. Click the Send OTP button.	Email: goalritzdesign@gmail.com	User should be redirected to the Enter OTP page. A 6-digit OTP input field should be displayed. A confirmation message should appear indicating that the OTP has been sent to the registered email address.
DEF_Dash_002	Employee profile image not displayed correctly in Attendance Overview list	Open the login page: https://pai-erp-qa.pineappleai.cloud/login Log in as a valid admin user. Navigate to the Admin Dashboard. Open the Attendance Overview page. Observe the profile image displayed beside each employee name.	N/A	Employee profile images should be clearly visible, Properly aligned next to the employee name, And should not appear broken or missing.
DEF_Emp_003	Search by employee name does not return results for valid input	Open the login page: https://pai-erp-qa.pineappleai.cloud/login Log in as a valid Admin user. Navigate to the Employees page. Enter a valid employee name in the search box (e.g., Riffna).	Riffna	The system should display matching employee records based on the entered employee name.
DEF_Emp_004	Email icon is not clickable in Employee Information section	Open the login page: https://pai-erp-qa.pineappleai.cloud/login Log in using valid Admin credentials. Navigate to the Employees page. Click the View icon for any employee. Observe the Employee Information section.	Email: riffna.pineappleai@gmail.com	Employee email address should be displayed. The email icon next to the email address should be clickable and open the default mail client.
DEF_Emp_005	Copy icon for phone number is not functional in Employee Information section	Open the login page: https://pai-erp-qa.pineappleai.cloud/login Log in using valid Admin credentials. Navigate to the Employees page. Click the View icon for any employee. Observe the Employee Information section.	Phone Number: 0728433079	Phone number should be displayed correctly. The copy icon next to the phone number should be clickable and copy the number to the clipboard.

Actual Result	Test Results	failure evendence	dev assignee	reporter	Issue Status
User is not redirected to the Enter OTP page after clicking Send OTP. The 6-digit OTP input field is not displayed. No confirmation message is shown to the user.	Fail		Nisothman(Full Stack Engineer) /Jathushan (Full Stack Engineer)	Riffna(QA Engineer)	Yet to fix
The employee profile image icon appears broken or is not displayed properly in the Attendance Overview list.	Fail		Nisothman(Full Stack Engineer) /Jathushan (Full Stack Engineer)	Riffna(QA Engineer)	Fixed
Matching employee records are not displayed after entering a valid employee name. The employee list remains unchanged or shows no results.	Fail		Nisothman(Full Stack Engineer) /Jathushan (Full Stack Engineer)	Riffna(QA Engineer)	Fixed
The employee email address is displayed correctly. The email icon is not clickable and does not trigger any action.	Fail		Nisothman(Full Stack Engineer) /Jathushan (Full Stack Engineer)	Riffna(QA Engineer)	Fixed
Phone number is displayed correctly. The copy icon is not clickable / not functional and no value is copied.	Fail		Nisothman(Full Stack Engineer) /Jathushan (Full Stack Engineer)	Riffna(QA Engineer)	Fixed

Retest Status	Re test Evidence				
Not Applicable					
Pass	Profile images are now displayed correctly beside each employee name in the Attendance Overview list with proper alignment and no broken icons.				
Pass	After the fix, entering a valid employee name (e.g., "Riffna") in the search box correctly displays the matching employee record (s). The search functionality now filters the employee list dynamically based on the entered name without errors.				
Pass	Email is displayed, the side email icon is clickable.				
Pass	Phone number copy icon clickable				

[illegible]

DEF_Emp_006	Designation field displays "N/A" instead of saved employee data	Open the login page: https://pai-erp-qa.pineappleai.cloud/login Log in using valid Admin credentials. Navigate to the Employees page. Click the View icon for any employee. Observe the Employee Information section.	Designation: Software Engineer	The Designation field should display the saved employee designation correctly.
DEF_Emp_007	Department field shows "N/A" in Employee Information view despite existing in registration form	Open the login page: https://pai-erp-qa.pineappleai.cloud/login Log in using valid Admin credentials. Navigate to the Employees page. Click the View icon for any employee. Observe the Employee Information section.	Department field exists in Employee Registration form (value saved for the employee)	The Department field should display the saved department value correctly in the Employee Information section.
