PineappleAI

Login Page - Empty State Description

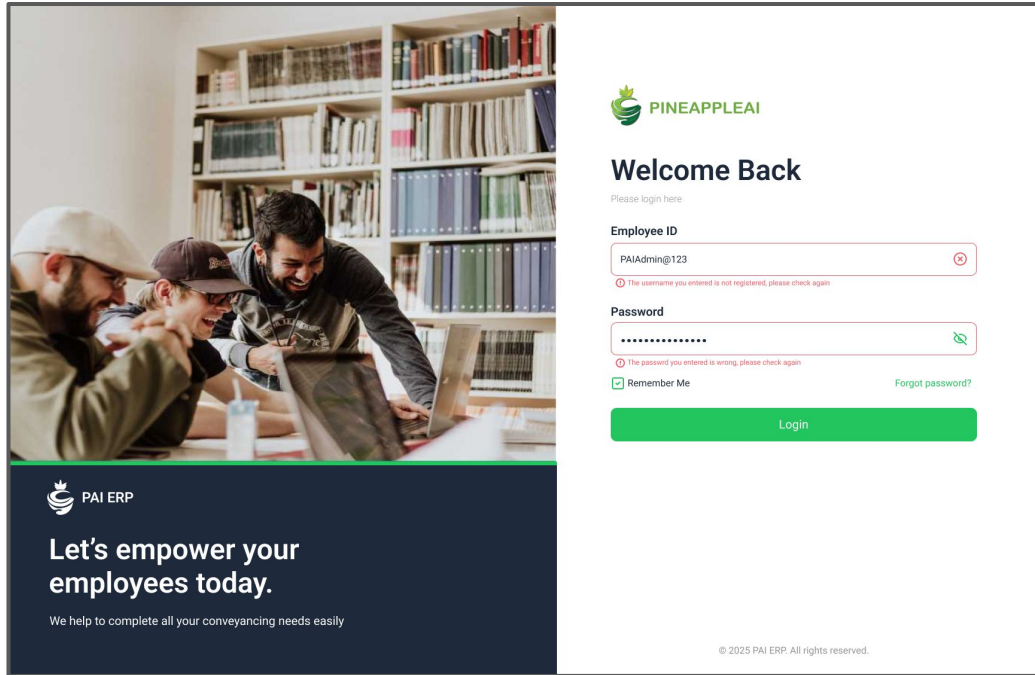

- This is the login page in its normal state.
- The admin can login using a username and password.
- There is an option to navigate to the "Forgot Password" section.
- An eye icon is used to toggle the visibility of the password.
- The "Remember Me" checkbox helps save the username for future logins.
- After clicking the "Login" button, the user is redirected to the dashboard.

Login Page - Filled State Description

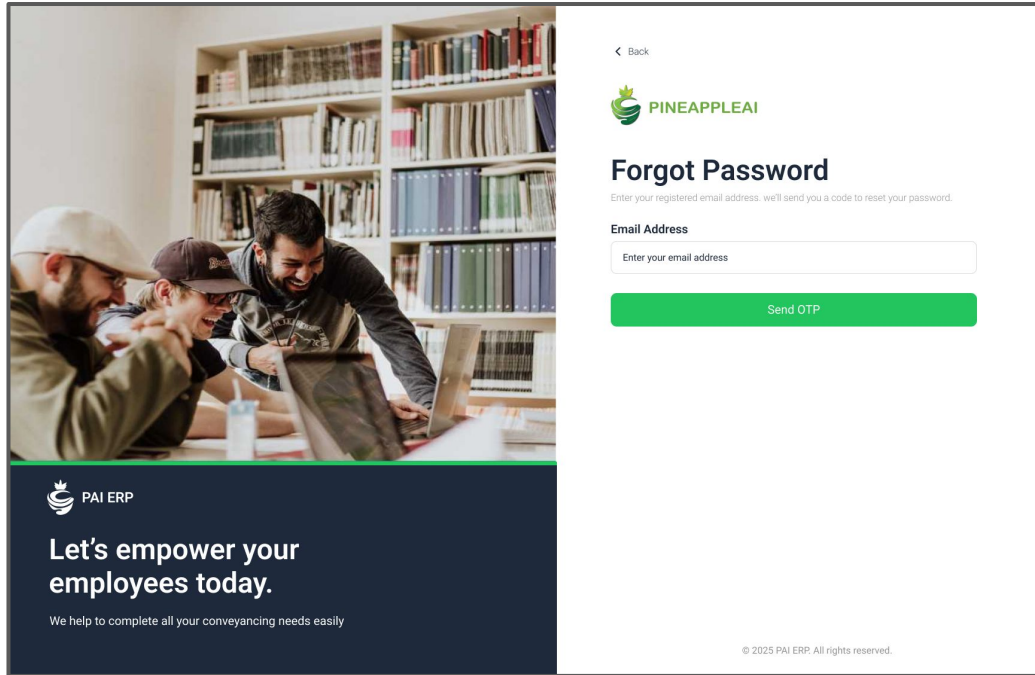

- If the user enters a valid username, a tick icon will be displayed.

Login Page - Error State Description

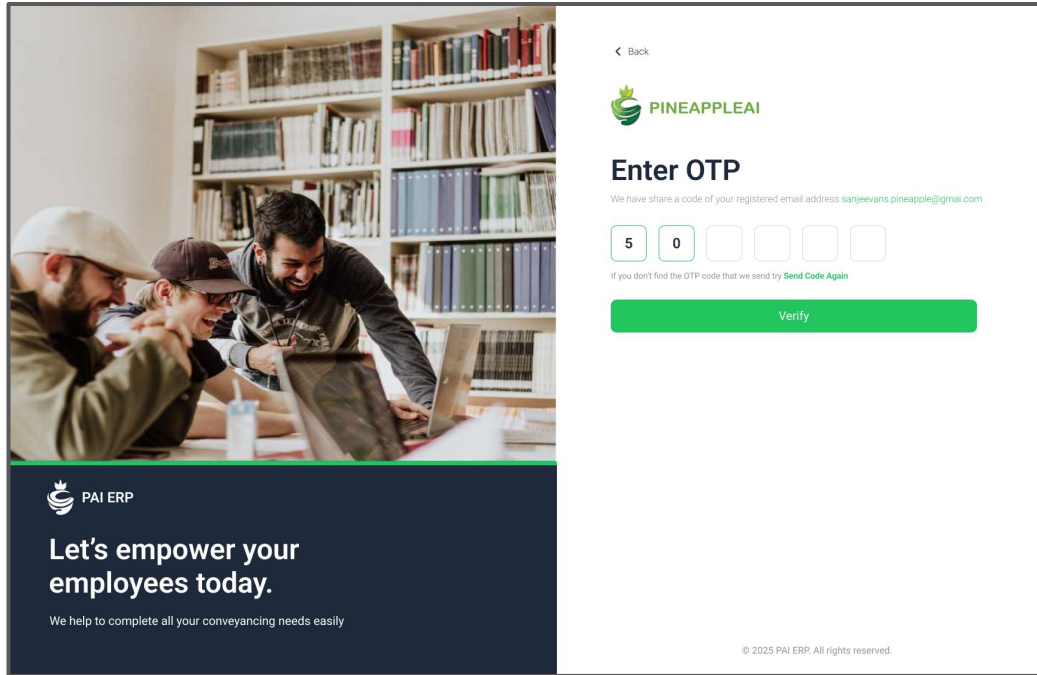

- If the user enters an incorrect username or password, an error message will be displayed.

Forgot Password Page - Email address

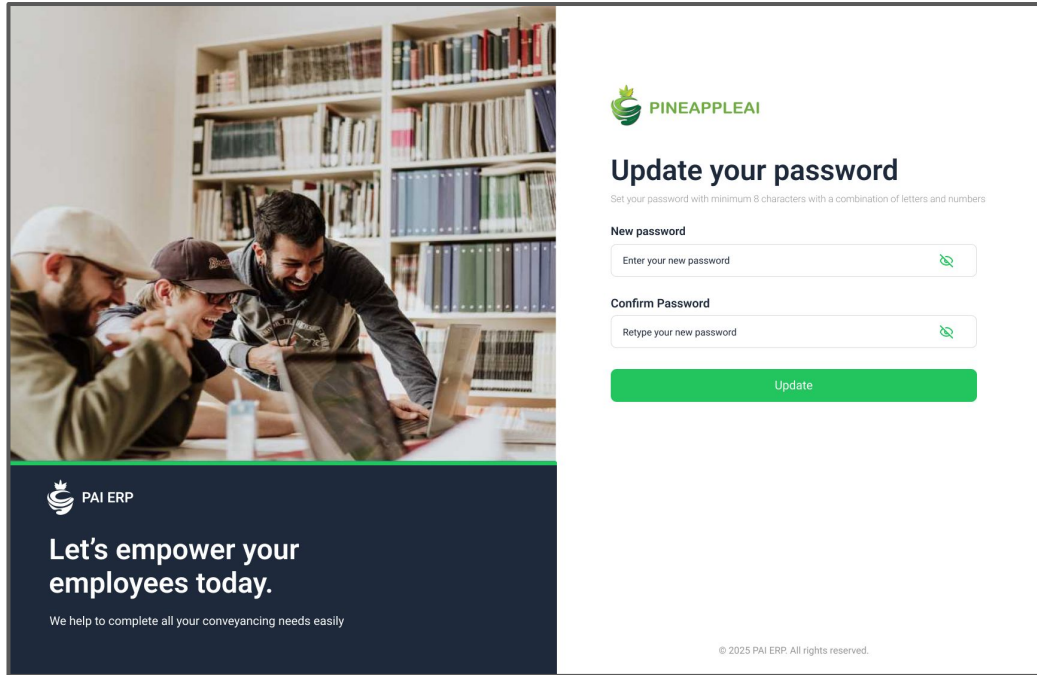

- The user needs to enter their email address and click the **"Send OTP"** button.
- After clicking the button, they will be redirected to the **OTP verification page**.
- The user can return to the login page by clicking the **"Back"** button.

Enter OTP Page

- The user needs to enter the OTP and click the **"Verify"** button.
- If the user doesn't receive the code, they can click the **"Send Code Again"** link to receive a new one.

Update Password Page - Empty State

The image is a composite. On the left, a photograph shows three people (two men and one woman) in a library or office setting, looking at a laptop. On the right, a white form titled 'Update your password' is overlaid. The form includes the PINEAPPLEAI logo, a title, a subtitle, two input fields for 'New password' and 'Confirm Password', and a green 'Update' button. At the bottom of the image, there is a dark blue banner with the PAI ERP logo and text.

PINEAPPLEAI

Update your password

Set your password with minimum 8 characters with a combination of letters and numbers

New password

Confirm Password

Update

PAI ERP

D. Divakar	Half Day	I need to do a personal work	12:00 P.M	4:00 P.M	Approved	
K. Keerthana	Full Day	Sick	01 Oct 2024	01 Oct 2024	Approved	
N. Nigarika	Extended Leave	I need to attend a wedding	14 Aug 2024	19 Aug 2024	Rejected	
K. Kamal	Half Day	I need to go to hospital	7:00 A.M	11:00 P.M	Rejected	
M. Saravanan	Hours Permission	I have an exam	10:00 A.M	11:00 A.M	Rejected	

...

- This is the **Leave Management Dashboard**.
- The user can view leave summaries by **day** or **week**.
- The user can filter the table data using the **filter** icon.
- A **search** feature allows the user to find specific data.
- Each leave request can be viewed in detail by clicking the **expand** icon.
- Results are displayed with **pagination** for easier navigation.

Leave Management - Hour Permission

The screenshot displays the PINEAPPLEAI Leave Management system. A modal window is open for employee S. Sanjeevan, a UI/UX Engineer. The modal shows the following details:

- Leave Type:** Hour Permission
- Date:** 13 May 2025
- Start Time:** 7.00 A.M
- End Time:** 8.00 A.M
- Description:** I need to go to bank
- Status:** Pending (indicated by a red dot)

Below the status, there are radio buttons for 'Rejected' and 'Approved'. A green 'Update' button is at the bottom of the modal. A 'Proof Document' button is also visible next to the description.

In the background, the main interface shows a sidebar with navigation options: Dashboard, Employees, Leaves (highlighted), Recruitment, Documents, Payroll, Settings, and Logout. The top header shows 'Hello Sanjeevan' and a user profile. The main content area displays '84 Pending Approvals' and '20 Today Leaves'. A table of leave requests is visible, with columns for Employee, Leave From, Leave To, Status, and Actions.

Employee	Leave From	Leave To	Status	Actions
S. Sanjeevan	7.00 A.M	11.00 A.M	Pending	[Edit] [Delete]
R. Ajay	8.00 A.M	10.00 A.M	Approved	[Edit] [Delete]
V. Magesh	01 Jan 2025	01 Jan 2025	Pending	[Edit] [Delete]
H. Vinuth	21 Dec 2024	21 Dec 2024	Approved	[Edit] [Delete]
D. Divakar	12.00 P.M	4.00 P.M	Approved	[Edit] [Delete]
K. Keerthana	01 Oct 2024	01 Oct 2024	Approved	[Edit] [Delete]
N. Niganka	14 Aug 2024	19 Aug 2024	Approved	[Edit] [Delete]
K. Kamal	7.00 A.M	11.00 P.M	Approved	[Edit] [Delete]
M. Saravanan	10.00 A.M	11.00 A.M	Approved	[Edit] [Delete]

- The admin can view the details of an employee's **hour-based permission request**.
- The admin can update the leave status to either **Approved** or **Rejected**.
- The admin can also download the submitted proof in **PDF format**.

Leave Management - Extended Leave

The screenshot displays the PINEAPPLEAI Leave Management system. A modal window is open for an employee named S. Sanjeevan, a UI/UX Engineer. The modal shows the following details:

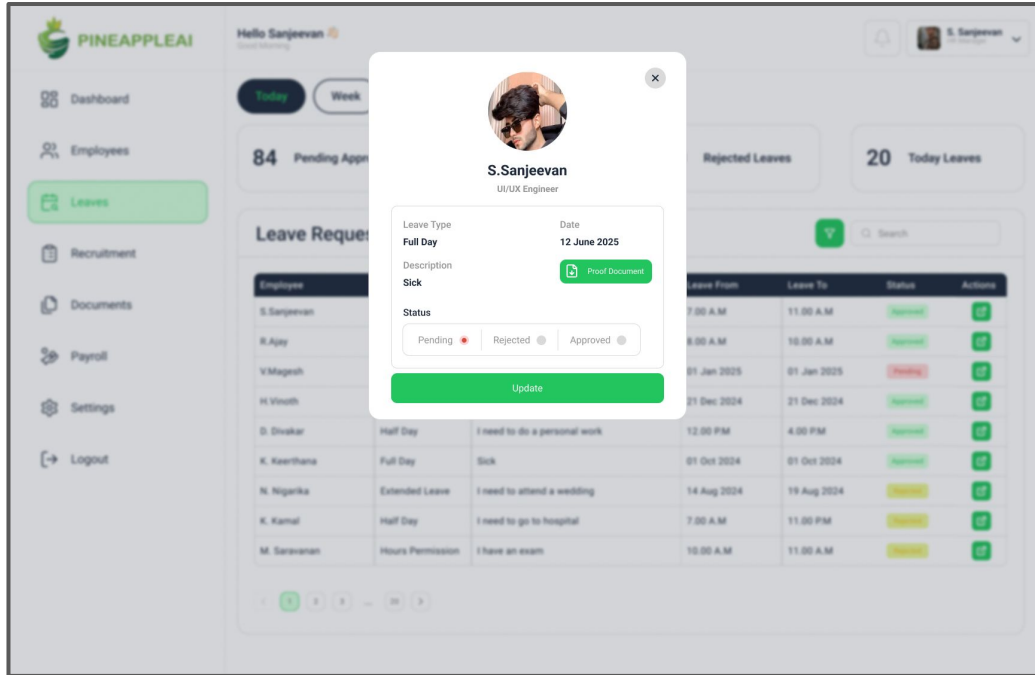

- Leave Type:** Extended Leave
- Start Date:** 12 June 2025
- End Date:** 16 June 2025
- Description:** I need to go to Colombo for a wedding.
- Status:** Pending (indicated by a red dot)
- Actions:** A green button labeled "Update" is at the bottom.

In the background, the main interface shows a sidebar with navigation options: Dashboard, Employees, Leaves (highlighted), Recruitment, Documents, Payroll, Settings, and Logout. The top header includes a greeting "Hello Sanjeevan" and a user profile. The main content area displays "84 Pending Approvals" and "20 Today Leaves". A table of leave requests is visible, with columns for Leave From, Leave To, Status, and Actions.

Leave From	Leave To	Status	Actions
7:00 A.M	11:00 A.M	Approved	
8:00 A.M	10:00 A.M	Approved	
01 Jan 2025	01 Jan 2025	Pending	
21 Dec 2024	21 Dec 2024	Approved	
12:00 P.M	4:00 P.M	Approved	
01 Oct 2024	01 Oct 2024	Approved	
14 Aug 2024	19 Aug 2024	Approved	
7:00 A.M	11:00 P.M	Approved	
10:00 A.M	11:00 A.M	Approved	

- The admin can view the details of an employee's **extended leave request**.
- The admin can update the leave status to **Approved** or **Rejected**.
- The admin can download the submitted proof in **PDF** format.

Leave Management - Full Day Leave

- The admin can view the details of an employee's **full-day leave request**.
- The admin can update the leave status to **Approved** or **Rejected**.
- The admin can download the submitted proof in **PDF** format.

Leave Management - Half Day Leave

The screenshot displays the PINEAPPLEAI Leave Management system. A modal window is open for editing a leave request for S. Sanjeevan, a UI/UX Engineer. The modal shows the following details:

- Leave Type:** Half Day
- Date:** 12 June 2025
- Start Time:** 7.00 A.M.
- Description:** I need to go for university exam
- Status:** Pending (indicated by a red dot)

Below the status, there are radio buttons for Pending, Rejected, and Approved. A green 'Update' button is at the bottom of the modal. A 'Proof Document' button is also visible next to the date.

In the background, the main interface shows a sidebar with navigation options: Dashboard, Employees, Leaves (highlighted), Recruitment, Documents, Payroll, Settings, and Logout. The top header says 'Hello Sanjeevan' and shows a profile icon. The main content area displays '84 Pending Approvals' and '20 Today Leaves'. A table of leave requests is visible, with columns for Employee, Leave From, Leave To, Status, and Actions.

Employee	Leave From	Leave To	Status	Actions
S. Sanjeevan	7.00 A.M.	11.00 A.M.	Pending	[Edit] [Delete]
R. Ajay	8.00 A.M.	10.00 A.M.	Pending	[Edit] [Delete]
V. Magesh	01 Jan 2025	01 Jan 2025	Pending	[Edit] [Delete]
H. Vinuth	21 Dec 2024	21 Dec 2024	Pending	[Edit] [Delete]
D. Divakar	12.00 P.M.	4.00 P.M.	Pending	[Edit] [Delete]
K. Keerthana	01 Oct 2024	01 Oct 2024	Pending	[Edit] [Delete]
N. Niganka	14 Aug 2024	19 Aug 2024	Pending	[Edit] [Delete]
K. Kamal	7.00 A.M.	11.00 P.M.	Pending	[Edit] [Delete]
M. Saravanan	10.00 A.M.	11.00 A.M.	Pending	[Edit] [Delete]

- The admin can view the details of an employee's **half-day leave request**.
- The admin can update the leave status to **Approved** or **Rejected**.
- The admin can download the submitted proof in **PDF** format.

Leave Management - Compulsory Day Leave

The screenshot displays the PINEAPPLEAI Leave Management system. A modal window is open for a compulsory leave request by S. Sanjeevan, a UI/UX Engineer. The modal shows the leave type as 'Compulsory Leave', the extended working date as '12 June 2025', and the description as 'I need to go for university exam'. The status is currently 'Pending'. A 'Proof Document' button is visible. The background shows a sidebar with navigation options like Dashboard, Employees, Leaves, Recruitment, Documents, Payroll, Settings, and Logout. The main area displays a list of leave requests and a table of leave details.

Leave From	Leave To	Status	Actions
7:00 A.M	11:00 A.M	Approved	
8:00 A.M	10:00 A.M	Approved	
01 Jan 2025	01 Jan 2025	Pending	
21 Dec 2024	21 Dec 2024	Approved	
12:00 P.M	4:00 P.M	Approved	
01 Oct 2024	01 Oct 2024	Approved	
14 Aug 2024	19 Aug 2024	Approved	
7:00 A.M	11:00 P.M	Approved	
10:00 A.M	11:00 A.M	Approved	

- The admin can view the details of an employee's **compulsory leave request**.
- The admin can update the leave status to **Approved** or **Rejected**.
- The admin can download the submitted proof in **PDF** format.

Employee Management - Current Employee

The screenshot displays the PINEAPPLEAI Employee Management interface. On the left is a sidebar with navigation links: Dashboard, Employees (highlighted), Leaves, Recruitment, Projects, Payroll, Settings, and Logout. The main header shows 'Hello Sanjeevan' with a greeting icon and a user profile dropdown for 'S. Sanjeevan'. The main content area is titled 'Employees' and includes a 'New Employee' button. Below this, there are two tabs: 'Current Employee' (selected) and 'Former Employee'. The 'Current Employee' section shows '5 of 30 employees available' and a search bar. A table lists the current employees with columns for Emp ID, Employee Name, Designation, Role, Management Role, Reporting Manager, and Action. The table contains 6 rows of employee data. At the bottom right, there is a pagination control showing '1' of 20 items.

Emp ID	Employee Name	Designation	Role	Management Role	Reporting Manager	Action
01	Y. Kishana	Full Stack Engineer	Team Lead	-	S. Sanjeevan	
02	Y. Kishana	UI/UX Engineer	Team Lead	-	S. Sanjeevan	
03	Y. Kishana	QA Engineer	Associate	COO	S. Sanjeevan	
04	S. Sanjeevan	Mobile App Developer	Intern	CHROO	S. Sanjeevan	
05	S. Sanjeevan	Back end Developer	Senior	-	S. Sanjeevan	
06	S. Sanjeevan	UI/UX Engineer	Intern	-	S. Sanjeevan	

- The admin can view the details of an current employee's details by clicking expand icon
- The admin can update the employee details by clicking edit icon.

Employee Management - Former Employee

The screenshot displays the PINEAPPLEAI Employee Management interface. On the left is a sidebar with navigation links: Dashboard, Employees (highlighted), Leaves, Recruitment, Projects, Payroll, Settings, and Logout. The main header shows a greeting 'Hello Sanjeevan' and a user profile dropdown for 'S. Sanjeevan'. The main content area is titled 'Employees' and includes a 'New Employee' button. Below this are two tabs: 'Current Employee' and 'Former Employee' (selected). The 'Former Employee' tab shows a search bar and a table of former employees. The table has columns for Emp ID, Employee Name, Designation, Role, Management Role, and Action. The data rows show employees Y. Kishana and S. Sanjeevan in various roles. At the bottom, there is a pagination control showing page 1 of 20.

Emp ID	Employee Name	Designation	Role	Management Role	Action
01	Y. Kishana	Full Stack Engineer	Team Lead	Software Development	
02	Y. Kishana	UI/UX Engineer	Team Lead	UI/UX Design	
03	Y. Kishana	QA Engineer	Associate	Quality Assurance (QA)	
04	S. Sanjeevan	Mobile App Developer	Intern	Software Development	
05	S. Sanjeevan	Back end Developer	Senior	Software Development	
06	S. Sanjeevan	UI/UX Engineer	Intern	UI/UX Design	

- The admin can view the details of an former employee's details by clicking expand icon
- The admin can update the employee details by clicking edit icon.

 **PINEAPPLEAI**

To: [Name]
[Address]

Dear Sir/Ms,
We are delighted to extend an internship opportunity at PineappleAI within our [Department] as a [Designation]. This assignment will enable you to [Designation] learn through our structure, and we are confident that your skills and enthusiasm will greatly benefit our team.

Position: [Designation]
Start Date: [Date of joining]
End Date: [Date of ending]
Location: [Office]

Terms of Internship

- Your work schedule will be 40 hours per week, 5 days of the week from 7:00 AM to 4:00 PM.
- During the time, you will be provided your transportation facilities as a Company employee.
- During the time, you will have to work at least 100 hours, related to working hours, then report expense rate.

Responsibilities

During your internship, you will have the Responsibility to:

- Follow the rules and code of conduct of the company.
- Start every working hours on time.
- Responsible for your own work.
- Follow a schedule with notes from your findings.

Expectations

As a part of PineappleAI, we expect you to:

- Communicate effectively with our members and supervisor.
- Be proactive in learning, handling and learning opportunities.
- Handle independently and to provide timely information.
- Follow a schedule with notes from your findings.

Leave and an email reporting to [Department] about who will oversee your work and provide guidance throughout your internship. Please review this offer letter carefully and indicate your acceptance by signing and returning the accepted copy to our team. If you have any questions or concerns, please do not hesitate to contact me at info@pineappleai.cloud.

Reporting

You will be reporting to [Department] at [Department] about who will oversee your work and provide guidance throughout your internship. Please review this offer letter carefully and indicate your acceptance by signing and returning the accepted copy to our team. If you have any questions or concerns, please do not hesitate to contact me at info@pineappleai.cloud.

We are excited to welcome you to our team and look forward to working with you. Congratulations on your internship offer!

Sincerely,
[Signature]
Chief HR/Operational Officer

The letter lists 11 responsibilities and expresses appreciation for their contributions. It is signed by Thirukare Satharaseelagan, Chief HR Operational Officer. Contact information for PineappleAI is provided at the bottom of the letter preview.

Service Letter

[Name]

Dear [Name],

This letter is to confirm that [Name] has successfully completed an internship at PineappleAI from [start date] to [end date].

During their tenure, [Name] was responsible for:

1. Developing and maintaining mobile and web applications using JavaScript, React native, React.js, Node.js, and Laravel.
2. Working on both front-end and back-end development.
3. Designing and managing databases MySQL and MongoDB.
4. Collaborating with cross-functional teams for project success.
5. Ensuring high-quality code and best development practices.
6. Designing user-friendly and responsive interfaces for Android platform.
7. Implementing APIs and integrating third-party services.
8. Web and mobile hosting responsibility.
9. Project management responsibility.
- 10.
11. Collaborating with UI/UX designers and backend developers to ensure seamless functionality.

Throughout their tenure, [Name] demonstrated strong technical expertise in frontend and backend development, problem-solving abilities, and a commitment to delivering high-quality mobile and web applications. They played a key role in designing, developing, and maintaining available applications.

Their ability to collaborate with cross-functional teams, optimize application performance, and implement best coding practices made them a valuable asset to our organization. We appreciate their contributions and wish them success in their future endeavors. Please feel free to contact us at ceo@pineappleai.cloud.

We wish [Name] all the best in her future endeavors.

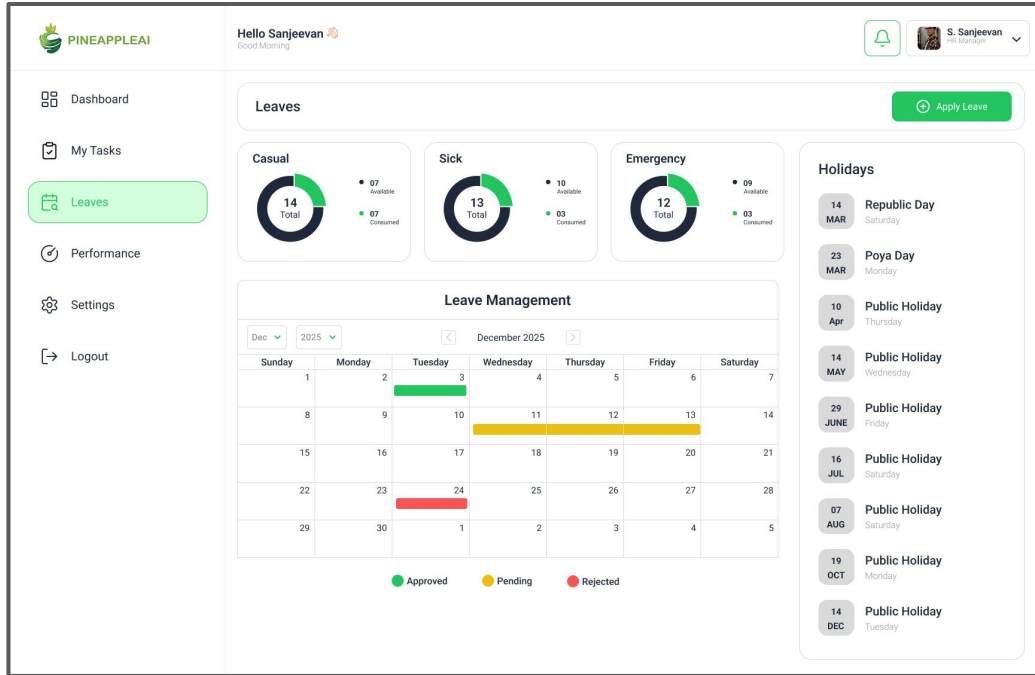

Sincerely,
Thirukare Satharaseelagan
Chief HR Operational Officer

The screenshot shows a web application interface for PINEAPPLEAI. A modal titled 'New leave request' is open, allowing a user to submit a leave request. The modal contains the following fields:

- Leave Category:** A dropdown menu with 'Half Day' selected.
- Date:** A text input field with the placeholder 'MM/DD/YYYY' and a calendar icon.
- Start Time:** A dropdown menu with 'Select Time' selected.
- Reason:** A text input field with the placeholder 'Enter Leave Description'.
- Upload Document (Optional):** A text input field with the placeholder 'Upload your proof document' and a green upload icon.

A green 'Submit' button is located at the bottom of the modal. In the background, a sidebar on the left contains navigation links: Dashboard, My Tasks, Leaves (highlighted), Performance, Settings, and Logout. The main content area shows a 'Leaves' table with columns for Date, Category, and Status, and a 'Holidays' section on the right listing various public holidays.
